### **Conversation**

#### Conversation 1

Doctor: Hello! Welcome to the **hospital!**

Patient: Hello.

Doctor: How are you?

Patient: I have a **runny nose** and a **cough**.

Doctor: Hmm. Do you **wash your hands**?

Patient: **Wash my hands**? No!

Doctor: No? The **thermometer** says you have a **fever**.

Patient: So I have a **runny nose**, a **cough**, and a **fever**?

Doctor: I have **medicine** for you.

Patient: Okay. I need to **wash my hands**.
